

Dithiothreitol (DTT)

BioVectra Inc.

CAS #: 3483-12-3

Formats include: 5g / 10g / 25g / 100g / 1kg

***Available in a range of purities and grades
for use in Pharmaceutical BioProcessing***

- ◆ Dithiothreitol Purity 99% Cat # 1365
Maintains thiol groups in a reduced state during protein processing and isolation
- ◆ Dithiothreitol Molecular Biology Grade (MBG) Cat # 1365 MBG
Stringently tested for: Proteases, RNAses, DNAses, ICP metals
- ◆ Dithiothreitol High Purity (DTT-HP) Cat # 1369
Purity 99.5%
- ◆ Dithiothreitol cGMP (DTT-cGMP) Cat # 1370
Manufactured and packaged under applicable cGMPs, with cGMP analytical testing and quality control, including residual solvents
